Re: RCRA Docket X83-04-01-3008 and X83-04-02-3008

Dear Mr. Foss:

In reviewing the enforcement files for the above-referenced RCRA complaints and compliance orders, I noticed that on October 6, 1983 you claimed you are "empowered to act on behalf of the corporations" named in these matters.

At this time, EPA is unclear as to the individuals and corporations you purport to represent.

Terry Drexler, under file number, X83-04-01-3008 responded on behalf of himself, Terry Drexler, Inc., Golden Penn Oil Company, and Western Pacific Vacuum Service.

To date, George W. Drexler has never responded to EPA, either individually or as a representative of Arrcom, Inc. or Drexler Enterprises, Inc. EPA is aware that you wrote a letter to the hearing clerk on July 19, 1983 and purported to respond on behalf of Mr. Drexler. This letter was not received by EPA within 20 days after service of the Complaint as required by 40 CFR §22.15(a), so EPA regards Mr. Drexler, Arrcom, Inc., and Drexler Enterprises, Inc. as being in default.

In order to avoid any confusion as to your representative capacity, please provide EPA with written, signed confirmation from the principals involved as to the exact nature of your representation, the time periods of applicability, scope, and a statement as to whether you represent the corporate or business entity, and/or the individual and whether your representation covers one or both of the referenced files.

This information should be provided to the undersigned within 14 calendar days from receipt of this letter.

In the event you do not provide the requested information, we will assume you are not acting in a representative capacity, and proceed accordingly.

Sincerely,

Barbara J. Lithner
Assistant Regional Counsel
